

TEXAS YOUTH & GOVERNMENT

Governor's Cabinet

The Governor's Cabinet will be comprised of approximately 15 members chosen from applicants prior to the High School State Conference.

If you are interested in applying to be a part of the Governor's Cabinet, we invite you to review our expectations below as well as our cabinet member profile for the upcoming season.

Expectations:

1. Prospective cabinet members are identified and notified prior to the state conference. They are expected to have participated in the Legislative section for at least one year prior to applying, and must be registered as Legislative delegates for the current program year.
2. All Governor's Cabinet members must attend the orientation session at the State Conference.
3. All Governor's Cabinet members must participate in the function of the cabinet during the state conference. Cabinet members hear presentations from Commissions as assigned.
4. Cabinet members must support the Governor's legislative agenda.

If you are interested, the application to be on the Governor's Cabinet will open in November after your District Conference!
