## TRIAL COURT EVALUATORS QUICK REFERENCE:

### General Guidelines:

- Evaluators score judge AND team performances.
- Start each team and judge with Score of 5 then add/subtract points based on performances.
- Please remember these are high school students, not college or law school students.
- Please do not consult with other evaluators or any team regarding your evaluation(s) during the competition.
- Please **write** comments on your evaluation of each team and the judge. Written feedback is very valuable for teams to receive at the conclusion of the competition.
