POST-TRIAL INFORMATION

1. At the State Conference, the rankings of the top ten teams will be posted to the YAPP online platform, no later than 11:00 p.m. on the Saturday night of the conference, dependent upon the other activities taking place on Saturday night and the ability of the Judicial Section Leader to finalize the list.

TEXAS YOUTH AND GOVERNMENT

If time permits the complete rankings will be posted to YAPP and/or outside the State Office along with the rankings of the top ten on the Saturday evening of the conference.

3. Any challenges to or concerns about critique sheets, score sheets, evaluators and/or rankings should be brought to the judicial office at either state or district conference. An advisor or coach will need to provide a copy of the critique sheet and a short written statement as to the issue in question. This must be done as soon as your team becomes aware of the problem (ie: immediately following a trial when you receive your critique sheet or if in regards to a score sheet, as soon as you receive your score sheets). The Section Leader or his/her designee will review the critique sheet and score sheet to determine what if any action should be taken.
4. Questions arising after the conference should be made via e-mail to District Directors who will then discuss and review with the State Office to provide a response.
