

Governor's Policy Agenda 2022

- **Mental Health Reform**
 - Providing mental health screening to public schools, funding mental health services/programs, implementing more services around areas of highly needed assistance.

- **Education Reform**
 - Raising teacher salaries, implementing a funding service that ensures equal funding in all departments, preschool opportunities in lower test score areas, having inclusion of different authors especially those of pocs and color.

- **Gun Safety Reform**
 - Requiring mental health screening process with purchase of firearms.
 - Introduce a system of a background check on consumers.

- **Reproductive Rights**
 - Protecting women's reproductive rights regardless of race, age, or financial situation, increasing the access to contraception, expanding the access to menstrual products within public schools.

- **Criminal Justice Reform**
 - Ending the school-to-prison pipeline, abolishing the death penalty, abolishing private prisons.

- **LGBTQ+/ BLM Advocacy**
 - Shedding light to the promotion of equality.
