

Hello, YAG Delegates!

As we get closer to our State Conference, you get closer to seeing some old friends. You may have met them last year during our virtual conference and will meet them in person for the first time or you met them in person a couple of years ago. Whichever it may be, it will be fun to connect or reconnect with friends and other delegates or make new friends.

Another thing, you might want to make sure to bring water and snacks when you come. You don't want to be out of energy from all the walking or get dehydrated. I can say from a past experience that you will be tired at the end of the day, so make sure to sleep well.

I can't wait to see you at our in-person State Conference this year in your amazing business attire!

Sincerely,

Meika Kuns
JYG Youth Governor 2021-2022
