APRIL ADVOCACY MONTH

Extend what you learned and put YG in action. Community change starts with you. Be a part of the solution! Here's how to get started?

1. Identify a issue that is important to you
2. Who is your audience? Principal, School board, city council, elected officials
3. Create an action plan with solutions
4. Gather your allies, mobilize and advocate

We will be sharing more ways on how to advocate for change on all our social media.
