Governor's Cabinet & Lobbyist: 2026-2027 Updates and Reminders

2026- 2027 Governor

- This year's High School Youth Governor is **Anvika Jain** from Dripping Springs High School in District 2!
- If you apply to be a governor's cabinet member you will work in close collaboration, so make an effort to get to know your Governor and her platform! This is a great way to network and get delegates outside your District.
- If you apply to be a lobbyist, you will work in close collaboration with the governor's cabinet and section leaders to advocate for or against the governor's agenda. This is a great way to network and get delegates outside your District during State Conference.

Qualifications

- Governor's Cabinet and Lobbyist members must have at **least one year** of Legislative experience.
- The application to participate in this section opens during State Conference registration in December.

Questions?

- Need more clarity about any of the qualifications or responsibilities of the Governor's Cabinet or Lobbyist position? Fill out our Support Form and we'll get you all the information you need.
- Please note, Governor's cabinet and Lobbyist positions are only for High school, not middle school delegates.
