About This Collection

We need to produce a description 60-90 words, plain text, no markdown, no quotes, no emojis, no AI-flag words, no dashes, no "not only X but Y", no forced groups of exactly three items, no generic positive endings, must end with natural invitation to view the full gallery via the link above (though we don't have a link; we can just say "view the full gallery via the link above" as invitation). That's maybe ~25. We'll include many: dandy, dandys world, roblox, astro, boxten, poppy, shrimpo, gigi, vee, shelly, tisha, cosmo, finn, m z m. We need to reuse at least 20% of the key words. Also terms like "background character", "colored skin", "ambiguous consent", "big ass", "big hips", "ass", "blowjob", "blowjob face", "1boy1girl", "4 arms", "dick", "blanket". So we need to include some of those words: dandy, dandys world, roblox, astro, boxten, poppy, shrimpo, gigi, vee, shelly, tisha, cosmo, finn, m z m, etc. Must reuse at least 20% of key words from captions (names, nicknames, distinctive terms). 20% of that is 5 words. So we need to reuse at least 5 of those key words exactly (or nicknames). Let's count distinct key words: dandy, dandys world, roblox, astro, boxten, poppy, shrimpo, gigi, vee, shelly, tisha, cosmo, finn, m z m, background character, colored skin, ambiguous consent, big ass, big hips, ass, blowjob, blowjob face, 1boy1girl, 4 arms, dick, blanket. That satisfies.

We must avoid AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Avoid "not only X but Y". Safer to avoid lists altogether. Also avoid em or en dashes; we can just use commas. Avoid forced groups of exactly three items: So we cannot have exactly three items in a list; we can have two or more than three but not exactly three. Avoid "At its core". So we will write sentences without enumerated lists.

We must not use generic positive endings; end on a concrete fact or a plain natural invitation. " That is a plain natural invitation. Good.

We must not use inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". It's okay. Must not use "various" in a list? That's okay. Must not use "various"? It's not flagged. " Need to avoid "various"? Must not use "various" as part of a forced three-item group? Keep claims supported by provided captions. Not a list.

We need to ensure we don't accidentally create a list of exactly three items. So we must avoid exactly three items separated by commas with "and". Safer to avoid using "and" to separate items; we can just separate with commas and no "and". Eg: "dandy, astro, boxten, poppy" that's four items, fine. Eg: "dandy, astro, boxten, poppy". If we use four items, that's okay. Eg: "dandy astro boxten poppy" but that's weird. But we must be careful not to accidentally have exactly three items. Better to use two items or more than three but not exactly three. We'll just avoid using "and" between items; we can use commas only. Or we can use "and" only when we have two items. So we can say: "dandy and astro" (two items). So avoid phrases like "X, Y, and Z". That's three items. Better: "dandy, astro, boxten, poppy" (no "and") is okay. For more than two, we can separate with commas and no "and". But we need to check that we don't inadvertently have exactly three items before a conjunction. That's four items, fine.

We must not use em or en dashes; we will not.

We must not use quotes.

We need to ensure length 60-90 words. Let's craft around 75 words.

Draft:

"Dandy world r34 presents scenes from dandys world where dandy appears alongside astro, boxten, poppy, shrimpo, gigi, vee, shelly, tisha, cosmo, finn and m z m. The images draw from roblox aesthetics, showing characters in varied poses, including background moments, colored skin details, and intimate actions such as blowjob face and ass focus. View the full gallery via the link above."

Now count words.

Let's count manually.
