About This Collection

justingains brings his power and alpha side into a set that stays close to home. He wants you to call him sir. He floats a shower invitation and a backside gains tease. He calls himself master and king, with the fartking tag in play. A roommate is in the room for the Christmas burp and fart. The 40% off OnlyFans offer and a question about whether you are subbed close it. Booty and feet talk sit beside poop jokes and juicy farts. View the full gallery via the link above.
