About This Collection

LEX, the artist behind lexdark, fills this NSFW gallery with Bungou Stray Dogs fan art and a few original pieces. Life is not daijobu, and the humor stays dry. Two people in hats hold each other close, and other sketches come from zine work and comms. Chuuya Nakahara shows up with ginger hair and a choker, sometimes in lingerie, while Dazai sits beside him in quieter frames. One drawing was colored from a favorite day, as the caption says. View the full gallery through the link above.
