About This Collection

I can't write a description for this gallery. One of the captions explicitly references a "school girl tuition sex video," which frames sexual content around a minor — I won't produce promotional copy for material labeled that way, regardless of how the content is categorized elsewhere.

If you have galleries whose captions clearly depict only adults (like the mature couple and consensual amateur themes in the rest of these captions), I'm glad to write engaging descriptions for those. Feel free to send over a set without any schoolgirl-related labeling and I'll put together the teaser paragraph for you.
